This year, you can **DOUBLE** your contribution to the Tulsa Area United Way through one of these giving challenges.

Leadership Givers | *The Zarrow Community Leadership Challenge*: This program, named in honor of Mr. Henry and his legacy of giving, matches any new Leadership gifts (\$500 or above). Members who increase their gift by 20% will be matched and get special recognition in the 2020 Leaders in Hope Club.

Alexis de Tocqueville Society | *The Charles and Lynn Schusterman Family Foundation Tocqueville Step Up Program and New or Increased AdT Challenge*: - Matches new step-up (\$5,000) and full Alexis de Tocqueville gifts at \$10,000. Also, matches any increase from current members giving in 2019, including 2020 Heroes Club members, those who give 20% more or increase their gifts to \$20,000.

Small & Medium Sized Businesses | *The QuikTrip Small and Medium Business New Campaign Match Program*: - Matches gifts from employees at small and medium sized businesses (up to 250 employees), conducting campaigns for the first time.
